

PORTLAND PRACTICE JOB DESCRIPTION

JOB TITLE: ADMINISTRATION CLERK
REPORTS TO: RECEPTION MANAGER/PRACTICE MANAGER
HOURS: 37.5 hours per week

Job summary:

To provide administration support to the practice team and to liaise with patients regarding registration and access to practice services. Working with other members of the practice team to provide a safe, caring and efficient service for patients.

The successful candidate will also be trained as a medical receptionist first in order to support the practice and then trained as a medical administrator.

Job responsibilities:

- Compiling new patient packs.
- Registering new patients on the clinical system and making changes to addresses and phone numbers.
- Assisting patients to access on-line services.
- Retrieving medical records and assisting with the completion of medical/insurance records.
- Filing correspondence in patients' medical records.
- Scanning patient correspondence into the electronic patient record.
- Any other tasks required by Reception Manager/Practice Manager as required for the day to day running of the practice
- Support the wider administrative team

Confidentiality:

- In the course of seeking treatment, patients entrust us with, or allow us to gather, sensitive information in relation to their health and other matters. They do so in confidence and have the right to expect that staff will respect their privacy and act appropriately
- In the performance of the duties outlined in this job description, the post-holder may have access to confidential information relating to patients and their carers, practice staff and other healthcare workers. They may also have access to information relating to the practice as a business organisation. All such information from any source is to be regarded as strictly confidential
- Information relating to patients, carers, colleagues, other healthcare workers or the business of the practice may only be divulged to authorised persons in accordance with the practice

policies and procedures relating to confidentiality and the protection of personal and sensitive data

Health & safety:

The post-holder will assist in promoting and maintaining their own and others' health, safety and security as defined in the practice Health & Safety policy, the practice Health & Safety manual, and the practice Infection Control policy and published procedures. This will include:

- Using personal security systems within the workplace according to practice guidelines
- Identifying the risks involved in work activities and undertaking such activities in a way that manages those risks
- Making effective use of training to update knowledge and skills
- Using appropriate infection control procedures, maintaining work areas in a tidy and safe way and free from hazards
- Actively reporting of health and safety hazards and infection hazards immediately when recognised
- Keeping own work areas and general / patient areas generally clean, assisting in the maintenance of general standards of cleanliness consistent with the scope of the job holder's role
- Undertaking periodic infection control training (minimum annually)
- Reporting potential risks identified
- Demonstrate due regard for safeguarding and promoting the welfare of children.

Equality and diversity:

The post-holder will support the equality, diversity and rights of patients, carers and colleagues, to include:

- Acting in a way that recognizes the importance of people's rights, interpreting them in a way that is consistent with practice procedures and policies, and current legislation
- Respecting the privacy, dignity, needs and beliefs of patients, carers and colleagues
- Behaving in a manner that is welcoming to and of the individual, is non-judgmental and respects their circumstances, feelings priorities and rights.

Personal/Professional development:

The post-holder will participate in any training programme implemented by the practice as part of this employment, such training to include:

- Participation in an annual individual performance review, including taking responsibility for maintaining a record of own personal and/or professional development

- Taking responsibility for own development, learning and performance and demonstrating skills and activities to others who are undertaking similar work

Quality:

The post-holder will strive to maintain quality within the practice, and will:

- Alert other team members to issues of quality and risk
- Assess own performance and take accountability for own actions, either directly or under supervision
- Contribute to the effectiveness of the team by reflecting on own and team activities and making suggestions on ways to improve and enhance the team's performance
- Work effectively with individuals in other agencies to meet patients needs
- Effectively manage own time, workload and resources

Communication:

The post-holder should recognise the importance of effective communication within the team and will strive to:

- Communicate effectively with other team members
- Communicate effectively with patients and carers
- Communicate effectively with other NHS organisations and outside agencies.
- Recognise people's needs for alternative methods of communication and respond accordingly.

Contribution to the implementation of services:

The post-holder will:

- Apply practice policies, standards and guidance
- Discuss with other members of the team how the policies, standards and guidelines will affect own work
- Participate in audit where appropriate
